Sir,

21

I have the honor to state that

an annual grant-in-aid of Rs 2500 for
2 years was sanctioned from provincial
funds (D.P.W Budget) towards the

maintenance of the Baba Pandan Hill road
in view to improve the District fund-
finances of the Kadur District Board as

per Government order No. 2612, dated 22
LB 363-07-4

12th September 1908.

The term for which the grant-in-aid was
sanctioned will be over with the close of the
current official year.

In spite of every attempt at economy, the
condition of the District fund finances
has not shown any appreciable improvement
up to now. With a view to improve its
receipts

receipts, the Board has considered various schemes and in the absence of anything better, has resolved upon requesting Government to sanction a slight increase in the rate of local cess recovered in the District so that they may thereby make up the loss sustained by it by the reduction of the Halat Duty on Supari from local cess ~ on which it was getting an income of about 5000 Rs. On this subject, a separate report will be submitted to Government as soon as I collect certain statistics ~ which has to accompany the report.

Meanwhile, the Board is of opinion that it is not now in a position to make both ends meet satisfactorily at present without the grant in aid of Rs 2500 sanctioned by Government in their proceedings ~ referred to above, be continued and it has accordingly resolved that the Government may be requested to make the grant in aid of Rs 2500/- permanent or that it may be at least extended for a further period of

of 3 years by which time the Board will make every effort to improve its finances.

Under the above circumstances, I beg that the Government may be pleased to continue the grant-in-aid permanently or at least sanction its continuance for a further period of 3 years as resolved by the District Board.

An extract from the resolution of the Board is herewith submitted.

I have the honor to be,

Sir,

Your most obedient servant

S. Channan

(17) Reso: - Question of moving the Government to continue the grant-in-aid of Rs 2500 which was sanctioned by the Government for a period of 2 years in their order No 2612-6 dated 12-9-1908 but L.B 363-07-4 which terminated with the close of this year, for some years to come so that the District Board may improve its financial condition.

Resolution: - The Board has been doing its best to reduce expenditure and improve its receipts on all sides and in spite of their best efforts, they have not been able to effect an appreciable improvement in the condition of finances. Considering the heavy expenditure on roads which has to be indispensably incurred on Hospitals etc in a malarial District like Kadur, the Board requests that the Government may be pleased to make the grant-in-aid of Rs 2500 permanent or that it may be at least extended for a further period of three years by which time the Board will make every effort to improve its finances -
